

BH4514

Automatic Power Activation

BH4514 Series

Automatic power activation

AKME
SOLUÇÕES EM AUTOMAÇÃO

Features

- 1-) Body Material: Aluminum
- 2-) Seal Material: HNBR
- 3-) Working Pressure: 0.5-12 Bar
- 4-) Ambient temperature: -5°C -60°C
- 5-) Port Size: 1/8"
- 6-) Able to coordinate with the Pneumatic control valve
- 7-) Small Operating force
- 8-) Simple operation
- 9-) Easy to install
- 10-) Long service life

General data

- 1-) Power: Hydraulic
- 2-) Material: Aluminum
- 3-) Work medium: Air
- 4-) Operating pressure(Bar): up to 12
- 5-) Working temperature: -5°C-/+60°C

Overall Dimension

BH4514 Series
